COMPREHENSIVE HUMAN RESOURCE, RISK MANAGEMENT,  
AND EMPLOYEE BENEFIT SOLUTIONS

**MICHELSEN**  
BENEFITS GROUP INC.

## WHO WE ARE

***M**ichelsen Benefits Group Inc. (MBG) has been providing human resource, risk management, and employee benefit services for over 40 years. MBG partners with our clients to provide customized business solutions to help companies maximize their return on investment in their people.*

*MBG will perform a comprehensive needs/risk analysis typically only available to large employers. This analysis enables us to identify areas of concern and opportunity within the company. The needs/risk analysis also allows us to create a customized plan to align strategic solutions resulting in improved organizational performance. Our process of regular monitoring and adjusting the plan ensures it is always properly focused.*

*Key elements to the success of MBG are our product and industry knowledge as well as our friendly customer service staff. Our commitment to service is at the center of our organization. We provide eligibility, billing, and claims resolution services. We have a Certified Wellness Coach (CWC) on staff and give our clients access to Professional Human Resource (PHR) and Senior Professional Human Resource (SPHR) certified consultants.*
